

## FACILITY USER AGREEMENT Covid-19

I hereby acknowledge receipt of, and willingness to ensure that all participants, coaches, trainers, or any other individuals associated with my rental at Cardel Rec South adhere to the following guidelines.

I further acknowledge that we will work with the staff, management and directors of Cardel Rec South / SFCRA in the implementation of these guidelines established by the Province of Alberta to contain and/or mitigate the spread of the Covid-19 coronavirus.

- All facility renters are asked to meet with a member of the Cardel Rec South rentals department and/or management prior to your first booking. The purpose of this meeting is to review the rental guidelines specific to Covid-19.
- Program and Rental participation **cannot exceed 50 persons** in total. This total includes participants and leaders.
- Programs/Rental coordinators must maintain a Participation Logbook. This logbook should include daily attendance records, emergency contact information, SFCRA Covid-19 Participation Waivers, daily screening checklist, etc
- **Arrival and Departure:** You are asked to arrive as close to the start of your rental time as necessary and vacate the premises immediately following your program. To reduce numbers within the facility, parents are asked to drop off their child(ren) and refrain from entering the facility unless absolutely necessary (check-in/check-out, tying skates; etc.)
- Prior to entering the facility, all program/rental leaders, participants, etc. must have a signed SFCRA Covid-19 **Participation Waiver** online or a paper copy.
- Enforcement: Renters are responsible for ensuring their participants, leaders, parents, etc are conforming to the Cardel Rec South rental and Covid-19 guidelines. Should Cardel Rec South staff observe a concern arising, you will be provided with two verbal warnings. On the third occasion, you risk having your rental contract cancelled.
- It is the renters responsibility to immediately inform Cardel Rec South facilities department staff or management if there is an outbreak or suspected positive test arising from one of your participants or leaders.
- Program Activities: Ensure that programming conforms local government program protocols
- Program Participants are asked to be "Checked In" by all program/rental coordinators/leaders. A check-in process may include:
  - Meeting your program participants at the drop off zone outside and having the group congregate together - while practicing appropriate social distancing.
  - Every day, all persons associated with your program/rental are to be subjected to the Pre-Screening Checklist.
  - Prior to entering the program space, participants, leaders, parents, etc are encouraged to have their temperature taken. Cardel Rec has several hand held thermometers available for this procedure.
  - Participants, leaders, parents, etc showing any symptoms or signs of sickness, or who have been in contact with known positive cases, are to stay home and be tested by Alberta Health Services.
- Social Distancing:
  - Program/Rental participants, leaders, etc are to practice social distancing by being a minimum of 2 meters apart at all times, unless participating in an active drill/session. For greater clarity, social distancing is to be practiced during "chalk talks", on the players benches, in dressing rooms, lunch breaks, etc. Close proximity during active participation should be kept to a minimum.
  - The arrows on the floor have been strategically placed to promote and encourage social distancing. Please pay heed to these arrows and educate your participants to adhere to them.

- Arena Dressing Rooms:
  - All groups are assigned dressing rooms, access is limited to a maximum of 10 persons (including players, coaches, trainers, leaders, parents, etc), per dressing room, at any one time. Arena rentals will have access to a maximum of two dressing rooms for their assigned ice time.
  - There will be **no access to the dressing room showers or toilets** until further notice. Public washrooms are available for use in the lobbies.
  - We strongly recommend to having program participants dress at home and only put on their skates in the lobby area.
  - When in use, there are to be a minimum of two (2) responsible leaders in the dressing room.
  - Dressing rooms are only available **15 minutes prior** to your ice time and must be vacated **15 minutes after** the conclusion of your ice time.
- Personal Protective Equipment (PPE): It is recommended that when not engaged in physical activity, all patrons wear a mask and gloves. Public PPE is not supplied by Cardel Rec South.
- Spectators: Spectators are **not allowed** until further notice - Spectator stands are closed until further notice.
- Water bottles should be labelled with the participants name and not shared.
- Equipment: Where possible, assign individual equipment to each participant.

I agree that the Covid-19 pandemic is “fluid” and circumstances are always changing. It is my obligation to stay informed by reading timely emails and social media distributed by SFCRA / Cardel Rec South.

I have read, received and understand the expectations of my rental contract as it pertains to the user expectations of participants, coaches/trainers, parents/guardians associated with my rental at Cardel Rec South

I HAVE READ AND UNDERSTAND THE TERMS OF MY RENTAL USER EXPECTATIONS
